

ORKESTAR BEZ IME

*"Five versatile, virtuoso Twin Cities musicians present a fusion of Balkan and other eastern European folk-music styles." -
Orchestra Hall, Minneapolis, Minnesota*

Orkestar Bez Ime (OBI) performs for a variety of audiences including folk dancers, children, educators, and "average Joes." They focus on Balkan music and its inherent rhythms and metric patterns such as 7/8, 11/16, and 15/16, improvise wildly, and play instruments from the cultures they represent. All of their recordings are perfect for events from dance parties to dinner parties and ideal for movement in the music classroom. OBI also presents workshops on Balkan music for musicians from junior high to adults.

To hire OBI for workshops or dances, send an email to obi@rogaria.com or call 612.781.8192.
